**"OUR DAY"**

PROGRAMME OF THE CELEBRATIONS.

A meeting of the War Charities Committee was held in the Council Chamber yesterday afternoon to receive a report from the Executive Committee in charge of the arrangements for the celebration of "Our Day" on Thursday, October 10th.

His Excellency the Governor, Sir Henry May, K.C.M.G., presided. Among those present were the Hon. Mr. E. H. Sharp, K.C., Hon. Mr. E. E. Hallifax, Hon. Mr. David Landale, Hon. Mr. Wei Yuk, C.M.G., Hon. Mr. Lau Chu Pak, Hon. Mr. E. Shellin, Messrs. G. T. Edkins, F. B. L. Bowley, A. H. Skelton, J. A. Young, Soares, Silva, Netto, Basto, Ho Fook, Yu King-shu, Un Kam-wa, Chan Shiu-ki, Li Sui-kam, etc.

LETTER FROM LONDON COMMITTEE.

The Hon. Mr. Hallifax (Secretary) read the following letter to His Excellency, from Mr. Charles Russell, of the Central Committee of "Our Day" in London:—

YOUR EXCELLENCY.—Your letter of the 26th July to Lord Lansdowne has been handed to my Committee, and I beg to thank you for all your kind exertions on behalf of the Joint Societies for "Our Day," the 10th October next. I note that you have referred our telegram to the Committee appointed for the purpose. May I ask you to be so good as to convey to them our deep thanks for their decision to mark "Our Day" in some appropriate manner, and I also must thank you again for the sum of £1,026 2s. 6d. already remitted. My Committee is most grateful to them and also to yourself.

**THE ARRANGEMENTS.**

The Hon. Mr. E. H. Sharp, K.C., Chairman of the Executive Committee, stated that a small working sub-committee had been appointed to make the necessary arrangements, and had invited Mr. C. H. P. Hay and one or two others to join them for the purpose of assisting in the programme of entertainments. They had also got all the help possible from the naval and military forces and the Public Works and Botanical Departments. The programme for the day was in three parts.

(1)—THE ROSE FUND, which Lady May had very kindly personally organised. For the purpose of that Fund, a large number of roses (some 20,000) had been given and would be sold on the day, the minimum charge being ten cents, and the maximum as much as anyone liked to give. He believed the modest maximum at the last occasion was \$1,000, and he hoped that would be exceeded. They anticipated that the principal source of income would be the Rose Fund. Ladies had volunteered to sell roses and collect in the offices and streets in the business part of the city, and their Chinese friends had undertaken similar work among their own community. School children would also sell the roses under proper supervision. Lady May would be open to receive subscriptions before the day, and with the acknowledgment would be sent a rose.

(2)—AN ENGLISH FARM on the Murray Parade Ground, which had been largely organised by Mr. Hay. Among the attractions would be coconut shies, jungle shooting at which the "Pink Tiger" would be

**YOUR BLOOD WANTS PURIFYING.**

IF YOU are troubled with Eczema, Itches, Spots, Pimples, Boils, Sores or Eruptions of any kind continually bursting through the skin.

IF YOU have that constant itching and inflammation of Piles.

IF YOU are suffering from Rheumatism, Gout, Gravel, etc.

IF YOU are suffering from Bad Legs, Abscesses, Ulcers, Scrofulous and Ulcerated Sores, Glandular Swellings, Blood Poisons, etc.

IF YOU are in the grip of Rheumatism, Sciatica, Lumbago, Gout, etc.

All these are sure signs of clogged blood impurity, calling for immediate treatment through the blood, so don't waste your time and money on useless lotions and messy ointments, which cannot get below the surface of the skin. What you want, and what you must have, is a medicine that will get right to the root of your trouble, a medicine that will thoroughly cleanse the blood of all impurities, and which, when taken, will give you a new blood, a new life.

Clarke's Blood Mixture is just such a medicine. It is composed of ingredients which quickly and effectively cleanse and purify the blood, and render it clean and pure; can be relied on to effect a lasting cure.

proved not to be a myth, a theatre with a pierrot troupe and other entertainments. Red Cross competitions would be held and also some children's entertainments. At dusk there would be a bonfire and torchlight dance by one of the Indian regiments. The charge for admission would be 50 cents. The whole cost of the match and other erections had been met by letting spaces for advertisements.

(3)—PUBLIC GARDENS FETE AND ILLUMINATION, at which His Excellency will present the cup won in the afternoon for the Red Cross competition. The charge will be \$1.

All these things were outdoor, but it had been decided to have one indoor performance, and that would take place at the Victoria Theatre a week earlier. They had had the greatest possible help from all. The Electric Company was giving the whole of the light for the illumination, the Hongkong Hotel were giving the gross proceeds of the sale of refreshments, the Kowloon Dock and the Talkoo Dock were giving the dancing floor for the fair, Messrs. Noronha and Messrs. Kelly & Walsh were doing the printing and it now only remained for the Committee to ensure it being a successful day.

His Excellency said he thought they would all be satisfied with the arrangements made. It now only remained for him to say that it was up to them (the Committee) to do their best to stimulate interest in the celebration, and he thought that the best way of doing that was to take tickets and try to sell them among their friends. The Committee was so representative that if they all did that they would touch every stage of the social fabric of the Colony. He thought they owed a debt to those people who were helping so generously, and if they approved, the necessary steps would be taken to convey their thanks.

The Committee signified their approval of the arrangements and the meeting terminated.
